CONSTRUCTION NEWS RELEASE

LANE REDUCTIONS
IL 13
CITY OF MARION
WILLIAMSON COUNTY

The Illinois Department of Transportation would like to alert motorists traveling on IL 13 in Marion of an upcoming project requiring LANE REDUCTIONS.

Beginning Monday, May 4, 2020, weather permitting, road construction work for converting the IL 13/Aurelia Drive intersection east of Marion to a restricted crossing U-turn intersection, adding a turn lane and the resurfacing of the eastbound and westbound lanes of IL 13 from Fair Street to the structures just east of Main Street will require lane closures. Traffic will be reduced to one lane and controlled by flaggers. The project should be completed by October 30, 2020. Work includes earth work, pavement patching, asphalt surface removal, asphalt paving and pavement markings. Motorists should reduce speed, be alert to equipment and workers and use extreme caution while traveling through all work zones.

To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
