Illinois 6 resurfacing in Peoria begins April 29

PEORIA – The Illinois Department of Transportation announces that construction on Illinois 6 between War Memorial Drive (U.S. 150) and Knoxville Avenue (Illinois 40) in Peoria begins April 29.

The work involves pavement patching and resurfacing on Illinois 6, which will require lane closures in both directions, as well as the ramps at the Allen Road and Knoxville Avenue interchanges (exits 5 and 6). Construction is expected to last until October.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
