Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, the reconstruction of ADA sidewalk ramps in Oregon on IL 2, from Ford Street to 5th Street, will begin on Monday, April 20, 2020, and are anticipated to be completed within 5 weeks. Upon completion of the IL 2 ADA sidewalk ramps, the reconstruction of the ADA sidewalk ramps on IL 64, from Illinois Street to North River Road will begin. An additional News Release will be issued prior to the start of the reconstruction of the IL 64 ADA sidewalk ramps.

Stenstrom Excavation & Blacktop is completing the \$1.4 million project to reconstruct ADA sidewalk ramps on IL 2 and IL 64 in Oregon, and IL 26 in Polo. Daytime lane closures will be required for the duration of the project, including sidewalk ramp closures. Alternate sidewalk ramps will be available for pedestrian traffic during the project.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
