U.S. 150 resurfacing in Peoria begins April 27

PEORIA – The Illinois Department of Transportation announces that resurfacing of War Memorial Drive (U.S. 150) between Northland Avenue and Brandywine Drive in Peoria begins April 27.

The project also includes replacing medians at the Glen Avenue/Sterling Avenue intersection and will require lane closures in both directions of War Memorial. Work is expected to be complete by the end of July.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
