## U.S. 34 bridge at Monmouth to close April 15

**MONMOUTH** – The Illinois Department of Transportation announces that the bridge that carries U.S. 34 over U.S. 67 just south of Monmouth will close April 15.

The closure is necessary for an overhaul of the bridge, including resurfacing, structural repairs, deck rehabilitation and lighting upgrades. Motorists must follow the posted detour during the work, which is expected to be complete in October.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
