Illinois 173 resurfacing in Zion begins Monday

CHICAGO – The Illinois Department of Transportation announced today that a resurfacing of Illinois 173 (Rosecrans Road/Bethlehem Avenue), from Green Bay Road (Illinois 131) to Sheridan Road (Illinois 137), in Zion, will require daily, intermittent lane closures beginning, weather permitting, Monday, Aug. 10.

The project, which also includes constructing new ADA-compliant sidewalk ramps and shoulder paving, is expected to be completed in late November. Access to residences and businesses within the work zone will be maintained throughout construction.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
