Overnight lane closures on eastbound I-80/94

CHICAGO – The Illinois Department of Transportation announced today that a routine inspection of the Torrence Avenue (Illinois 83) bridge over the Kingery Expressway (Interstate 80/94), in Lansing, will require overnight lane closures, weather permitting, Friday, Aug. 7.

In order to complete the inspection, lane closures will take place on eastbound I-80/94 at Torrence Avenue between 10 p.m. Friday and 5 a.m. Saturday. Two lanes will remain open at all times.

Additional lane closures will be scheduled on eastbound and westbound I-80/94 in the coming weekends to complete the inspection.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
