I-39 patching underway in Woodford County

PEORIA – The Illinois Department of Transportation announced that pavement patching on Interstate 39 between mileposts 24 and 33 in Woodford County is underway.

The work has closed one lane in each direction and will last until the end of September.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
