Lacon bridge inspection resumes Aug. 24 *Illinois 17 reduced to one lane during the day*

PEORIA – The Illinois Department of Transportation announced that routine inspection of the bridge that carries Illinois 17 over the Illinois River at Lacon resumes Aug. 24.

The inspection will reduce the bridge to one lane from 7 a.m. to 7 p.m., with two-way traffic maintained by flaggers, through Aug. 27.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
