Illinois 29 lane closures begin Aug. 25 *Lighting work on Main Street in Creve Coeur*

PEORIA – The Illinois Department of Transportation announced that lane closures in both directions of Main Street (Illinois 29/U.S. 24) between Poplar Street and Margaret Drive in Creve Coeur begin Aug. 25.

The closures are necessary for lighting installation and are expected to last about two weeks.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
