New traffic lights at War Memorial, Northland

PEORIA – The Illinois Department of Transportation announced that upgrades to the traffic signals at War Memorial Drive (U.S. 150) and Northland Avenue are set Aug. 26.

The intersection will be a four-way stop during the work, which is expected to last one day.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
