Temporary I-290 lane closures over Salt Creek

CHICAGO – The Illinois Department of Transportation announced today that repairs to light poles on Interstate 290 over Salt Creek, just east of Addison Road, will require temporary daytime lane closures, weather permitting, on Monday, Feb. 17.

To accommodate the work, one eastbound lane will be closed between 10:30 a.m. and 2 p.m. Monday. Two lanes will remain open at all times. Westbound traffic will not be affected.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
