## **Sunday morning lane closures on the Kennedy**

**CHICAGO** – The Illinois Department of Transportation announced today that temporary lane closures will take place on the Kennedy Expressway (Interstate 90), in Chicago, from Central Avenue to the Edens Expressway (Interstate 94) junction, weather permitting, Sunday, Feb.23.

The closures are necessary to perform routine bridge inspections over the Kennedy at the Edens Junction, Cicero Avenue (Illinois 50) and several adjacent railroad bridges.

In order to complete the inspections, a moving closure will be utilized in both directions of the expressway between 6:30 a.m. and noon Sunday, keeping one lane open at all times.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
