## Northwest Highway resurfacing begins March 2

**CHICAGO** – The Illinois Department of Transportation announced today that resurfacing of Northwest Highway (U.S. 14) from Miner Street to Merrill Street, in Park Ridge will require daily lane closures beginning, weather permitting, March 2.

The project, which consists of resurfacing the 3.5 mile stretch of Northwest Highway, constructing new ADA compliant sidewalk ramps and replacing deteriorated curbs and sidewalks, is expected to be completed in November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
