## **Overnight lane closures on outbound Kennedy**

**CHICAGO** –The Illinois Department of Transportation announced today that a routine bridge inspection will take place, weather permitting, overnight on the Foster Avenue bridge over the Kennedy Expressway (Interstate-90) in Chicago on Friday, Feb. 7.

In order to complete the inspection, one outbound lane will be closed between 10 p.m. Friday through 8 a.m. Saturday. Two lanes will remain open at all times. Inbound traffic will not be affected.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
