Public hearing about Cedar Street Extension set Feb. 11 *Proposal would replace bridges, rebuild interchange in East Peoria*

EAST PEORIA – The Illinois Department of Transportation will hold a public hearing about the preliminary engineering study to replace the bridges that carry the Cedar Street Extension over Main Street and the railroad tracks immediately west in East Peoria.

The hearing will be in open house format at the following time and location:

5-7 p.m. Tuesday, Feb. 11
Festival Building, 2200 E. Washington St.
East Peoria

In addition to the bridge replacements, the study also covers reconstruction of the Cedar Street Extension/Main Street interchange. IDOT staff will be on hand to present project information, answer questions and take public comments on the two-year, \$37 million project. Exhibits, plans, maps and a tentative construction schedule will be available for review.

The hearing location is accessible to people with disabilities. If special assistance or accommodations are needed, please use the contact information below at least five days in advance.

For more information about the hearing or the project in general, contact Mike Lewis, IDOT project engineer, by phone at (309) 671-3454, fax at (309) 671-3498, TTY at (800) 526-0844, voice users at (800) 526-0857, or by mail at Illinois Department of Transportation, 401 Main St., Peoria, IL 61602.
