Lane reductions for War Memorial, Adams set Feb. 14 *Intermittent full closure of Adams also planned*

PEORIA – The Illinois Department of Transportation announces that lane reductions for War Memorial Drive (U.S. 150) and Adams Street (Illinois 29) will begin at 7:30 p.m. Feb. 14.

The lane reductions are necessary to install beams for the bridge that carries War Memorial Drive over Adams Street. Eastbound War Memorial will be reduced to one lane, and Adams will be reduced to one lane in both directions. Intermittent full closures of Adams will be necessary after 8:30 p.m. for up to 20 minutes at a time. No full closures of War Memorial are expected.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
