Adams and Alexander signal work begins Jan. 7

PEORIA – The Illinois Department of Transportation announces that work on traffic signals at the intersection of Adams Street and Alexander Avenue in Peoria begins Tuesday, Jan. 7.

As the work is taking place, the intersection will be a four-way stop controlled by temporary stop signs. The project is expected to be complete Jan. 8.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
