I-474 bridge work begins Jan. 13

Work zone is just west of Adams Street interchange

BARTONVILLE – The Illinois Department of Transportation announces that work on the bridges that carry Interstate 474 over Kickapoo Creek Road, just west of the Adams Street interchange, begins Monday, Jan. 13.

The right eastbound lane and the left westbound lane will be closed during the work, which is expected to last about two weeks.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
