Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, there will be intermittent road closures on I-74 between IL 81 and IL 17. Beginning Wednesday morning, January 15th, at 12:00 a.m. (midnight) to 5:00 a.m., the I-74 eastbound and westbound lanes will be closed for a maximum of 15 minutes at three separate locations. The Illinois State Police will be assisting Advanced Asphalt Company with the “rolling road block closures”. During the closures, Tri-City Electric will be pulling the temporary lighting electric cables across I-74 for the upcoming project to resurface I-74 between IL 17 and IL 81.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
