Northwest Highway lane closures begin July 6

CHICAGO – The Illinois Department of Transportation announced today that a bridge deck overlay with joint repairs on Northwest Highway (U.S. 14) over Golf Road (Illinois 58), in Des Plaines, will require lane closures beginning, weather permitting, Monday, July 6.

In order to complete the project, Northwest Highway from State Street to Broadway Street will be reduced to one lane in each direction.

The project is expected to be completed in September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
