## **New light towers for U.S. 14-Illinois 31 interchange**

**CHICAGO** – The Illinois Department of Transportation announced today that new light towers are scheduled to be installed at the U.S. 14-Illinois 31 interchange, in Crystal Lake, beginning, weather permitting, Wednesday, Aug. 5.

Occasional daytime lane and shoulder closures will be required until the project wraps up in May.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
