## **Project to paint multiple bridges on Belvidere Road**

**CHICAGO** – The Illinois Department of Transportation announced today that cleaning and painting of bridges on Belvidere Road (Illinois 120) over Greenleaf Street and the Canadian Pacific Railroad, in Waukegan and Park City, will start this week.

The work will primarily take place under the bridge and will not impact traffic, however occasional daytime lane closures will be required on Belvidere Road and Greenleaf Street. Work is expected to be complete in early November.

Motorists can expect occasional delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
