CONSTRUCTION NEWS RELEASE

BRIDGE REPAIRS

IL 166

WILLIAMSON COUNTY

The Illinois Department of Transportation would like to alert motorists traveling on IL 166 of upcoming BRIDGE REPAIRS.

Beginning Monday, July 13, 2020, weather permitting, there will be bridge repairs to the structure carrying IL 166 over South Fork Saline Relief, 3.3 miles south of IL 13, that will require lane closures beginning at 7am. Traffic will be reduced to one lane and controlled by signals. The project should be completed by October 16, 2020. Motorists should be aware of the 12'-0" width restriction, reduce speed, be alert to equipment and workers and use extreme caution while traveling through all work zones.

To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
