Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work will begin on Monday, July 13, 2020, on IL 26 / US 52 in Polo. Stenstrom Excavation and Blacktop, Inc. will be reconstructing the ADA sidewalk ramps between Elkhorn Street and Dement Street. Traffic will be reduced to one lane at times, utilizing flaggers to direct traffic thru the work area, for the anticipated two-month duration of the project.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
