Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, on July 27, 2020 at 5:00 a.m., the eastbound Alpine Road ramps at US 20 will be closed to allow for the construction of the outside lane of US 20; including the shoulder and the ramp connectors. The closure is scheduled to last until 5:00 a.m. on August 3, 2020. Message boards and detour signs will be placed in advance to notify the traveling public of the closure. US 20 eastbound traffic should follow marked detour by utilizing the access at IL 251. Local traffic from Alpine Road traveling to US 20 eastbound should use US 20 westbound to the IL 251 interchange and follow the detour.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
