## **McClugage Bridge inspection begins July 13**

*Lane closures on eastbound span*

**PEORIA** – The Illinois Department of Transportation announces that a routine inspection of the eastbound span of the McClugage Bridge, which carries U.S. 150 over the Illinois River, begins July 13.

The inspection will require intermittent lane closures on the bridge from 8:30 a.m. to 3:30 p.m. and is expected to last two weeks.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
