Overnight I-57 closures begin June 29

Bridge replacement work in Bourbonnais to last through July 2

BOURBONNAIS – The Illinois Department of Transportation announces that overnight closures of Interstate 57 between Illinois 50 (exit 315) and Bourbonnais Parkway (exit 318) begin June 29.

The closures are necessary for crews to place I-beams on the bridge that carries Larry Power Road over I-57. They will begin at 8 p.m. each night, with the interstate reopened by 5:30 a.m. the following morning through July 2. Southbound traffic will be detoured at the new Bourbonnais Parkway interchange (exit 318) to Illinois 50. Northbound traffic will get off at Illinois 50 (exit 315).

When complete, the new bridge will have three lanes with a multi-use path on the westbound side.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
