Illinois 17 bridge inspection begins June 15

LACON – The Illinois Department of Transportation announces that routine inspection of the bridge that carries Illinois 17 over the Illinois River at Lacon begins June 15.

The inspection will require lane closures and is expected to be complete June 19.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
