## **Resurfacing of Illinois 29 begins this week**

*Work between Taylorville and Pana*

**TAYLORVILLE** – The Illinois Department of Transportation announces that resurfacing of Illinois 29 between Velma Road in Taylorville to Magnolia Street in Pana begins this week.

The work will require lane closures, with flaggers present to control traffic, and is expected to be complete in November.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
