## **Construction on Illinois 29 begins June 8**

*Work north of Peoria expected to last into November*

**CHILLICOTHE** – The Illinois Department of Transportation announces that construction on Illinois 29 between Illinois 6 in Mossville and Cloverdale Road in Chillicothe begins June 8.

The work involves pavement patching and resurfacing and will require lane closures. Traffic patterns will change as the work progresses. The project is expected to be complete by late November.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
