## Work on Knoxville Avenue begins June 8

**PEORIA** – The Illinois Department of Transportation announces that construction on Knoxville Avenue (Illinois 40) from Mossville Road to Cedar Hills Drive in Peoria begins June 8.

The work involves pavement maintenance and will require daytime lane closures. The project is expected to be finished later this month.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
