Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on US Business 20 from Buckley Drive to Shaw Road will begin on Monday, June 22, 2020. Martam Construction, Inc. will be completing the \$6,472,316 project involving dowel bar retrofit, pavement patching, profile pavement diamond grinding, and pavement marking.

Lane closures, including nighttime work, will be used during completion of the project. In-roadway repairs are expected to be completed by the end of November.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
