Overnight ramp and lane closures on Eisenhower

CHICAGO – The Illinois Department of Transportation announced today that a routine inspection of the bridge carrying Racine Avenue over the Eisenhower Expressway (Interstate 290), in Chicago, will take place, weather permitting, Friday, March 13.

In order to complete the inspection, the entrance ramp from Ashland Avenue to inbound I-290 and the right two lanes of I-290, under the Racine Avenue bridge will be closed between 11 p.m. Friday through 5 a.m. Saturday.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
