Irving Park Road crossing closed at Ravenswood

CHICAGO – The Illinois Department of Transportation announced that the ongoing construction of a Metra bridge will require closures over the next two weeks of Irving Park Road (Illinois 19) at Ravenswood Avenue starting, weather permitting, Monday, March 16.

To accommodate the work, westbound Irving Park Road, at the Metra bridge, will be close from Monday, March 16 to Saturday, March 21. A detour will be posted directing motorists to use Damen, Montrose and Ashland avenues. Eastbound Irving Park will close from March 23 to March 28.

The work is expected to be complete by March 28.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
