Golf Road resurfacing begins Wednesday

CHICAGO – The Illinois Department of Transportation announced today that the second phase of resurfacing of Golf Road (Illinois 58) from Mount Prospect Road to just west of Broadway, in Des Plaines, will require daily lane closures with flaggers beginning, weather permitting, Wednesday, March 18.

The project, which consists of resurfacing Golf Road, constructing new ADA-compliant sidewalk ramps and replacing deteriorated medians and curbs, is expected to be completed in early July.

Golf Road between Meijer Drive and Mount Prospect Road was resurfaced in October 2019.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
