Ogden Avenue resurfacing in Westmont

CHICAGO – The Illinois Department of Transportation announced that resurfacing of Ogden Avenue (U.S. 34) between west of Washington Street and east of Kingery Highway (Illinois 83), in Westmont, will require intermittent daytime lane closures beginning, weather permitting, April 6.

One lane in each direction will remain open at all times and access to businesses in the work zone will be maintained. The project, which consists of patching and resurfacing, pedestrian ramps and replacing deteriorated medians and curbs, is expected to be completed by September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
