## **Waukegan Road resurfacing begins March 30**

**CHICAGO** – The Illinois Department of Transportation announced that the resurfacing of Waukegan Road (Illinois 43) from U.S. 41, in Park City, to just south of McGaw Road/Pulaski Road, in Waukegan, will require daily lane closures beginning, weather permitting, March 30.

The project, which consists of patching and resurfacing Waukegan Road, new curbs and pedestrian ramp improvements, is expected to be complete in early July.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
