Bridge cleaning and painting begins Tuesday

CHICAGO – The Illinois Department of Transportation announced that cleaning and painting of the Touhy Avenue bridge, over the Des Plaines River, in Park Ridge and the Wolf Road bridge, over Weller Creek, in Des Plaines, will begin, weather permitting, Tuesday, March 24.

Most of work will take place under the bridge and will not impact traffic, however occasional daytime lane closures will be required. Work is expected to be complete by early July.

Motorists can expect occasional delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
