Kennedy express lanes closed Saturday morning

CHICAGO – The Illinois Department of Transportation announced today that the Kennedy Expressway (Interstate 90/94) express lanes will be closed, weather permitting, Saturday, March 28, from 5 a.m. to noon. The mainline expressway lanes will not be impacted.

The closures are necessary to install new reflective sheeting along the barrier wall near Ohio Street.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and remain alert for workers and equipment.
