I-55 resurfacing begins April 6

LEXINGTON – The Illinois Department of Transportation announces that resurfacing of Interstate 55 between Lexington and the Livingston County line begins April 6.

The work will require lane closures in both directions and is expected to be complete by Nov. 30.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
