## Work on I-155 ramp at Morton begins March 31

**MORTON** – The Illinois Department of Transportation announces that repairs to the ramp that carries southbound Main Street over Interstate 155 to southbound I-155 at Morton begin March 31.

The work will require a lane closure on northbound I-155 and is expected to be complete in August.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
