CONSTRUCTION NEWS RELEASE

BRIDGE CONSTRUCTION

I-24

MASSAC COUNTY

Metropolis - The Illinois Department of Transportation would like to alert motorists of an upcoming Bridge Construction Project on I-24 from Mile Post 34 to Mile Post 36 in Massac County beginning March 16, 2020, weather permitting.

Traffic will be reduced to one lane in each direction with the use of crossovers during construction of the structure.

This traffic configuration will be in place until November 15, 2020, to facilitate construction of a new bridge in the northbound/westbound lanes.

Local traffic should be aware that Country Club Road will also be reconstructed within the work zone at this time.

NOTE: Country Club Road will be reduced to one lane and closed for durations during construction of the structure.

Motorists should use extreme caution through this work zone and be aware of speed reductions and traffic control devices.
