## **Sidewalk upgrades in Peoria begin March 26** *Improvements along Jefferson, Adams streets*

**PEORIA** – The Illinois Department of Transportation announces that improvements to pedestrian accommodations on Jefferson and Adams streets in Peoria begin March 26.

The work involves upgrades to wheelchair ramps, medians, crosswalks and crosswalk signs between Hancock and Wayne streets and will require lane reductions. The project is expected to last about four months.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
