## Work on US 150 in Morton begins March 10

**MORTON** – The Illinois Department of Transportation announces that drainage improvements on West Jackson Street (U.S. 150) near Beverly Avenue in Morton begin March 10.

The work will require closure of the nearby River Trail of Illinois multi-use path and is expected to last about a week.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
