U.S. 150 traffic signal upgrades set April 9-10

PEORIA – The Illinois Department of Transportation announces that traffic signal upgrades are set April 9-10 at the following intersections in Peoria:

- War Memorial Drive (U.S. 150) and Sterling/Glen Avenue; April 9
- War Memorial and Sheridan Road; April 10

The work will be from 8 a.m. to 3:30 p.m. each day and will turn each intersection into a four-way stop while underway.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
