Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on US 67 from Second Avenue to Fifth Avenue in Rock Island is to begin the week of May 18, 2020. Valley Construction Co. will be completing the \$276,390 contract to mill and resurface this three-block section of US 67. Various daytime closures will be required during the duration of the project which is anticipated to be completed by the middle of June.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
