Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on IL 2 from Elmwood Road to Latham Road will begin the week of June 1, 2020. Denler, Inc. will be completing the \$104,919 project performing roadway maintenance of routing, cleaning, and sealing joints.

Motorists should be alert for lane closures and flaggers directing traffic thru the work area. Work is expected to be completed by June 30, 2020.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
