Fairmont City, Illinois – The Illinois Department of Transportation announces lane closures will be encountered on I-55/70 westbound over IL 111, at milepost 6.4. The lane closures are needed for bridge deck repairs, and will occur as follows:

The westbound left lane will remain closed at this location until noon on Wednesday, June 3. The westbound center lane will be closed daily, from 9:00 a.m. to 3:00 p.m. each weekday. No center lane closures will occur over the weekend. All lanes will be reopened to traffic at noon on Wednesday, June 3.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
