Eastbound I-74 ramps at Pinecrest close Nov. 4

EAST PEORIA – The Illinois Department of Transportation announced that the eastbound Interstate 74 ramps to and from Pinecrest Drive will close Nov. 4.

The closures are necessary for the ramps to be resurfaced. The currently closed westbound ramps will be reopened before the eastbound ramps close. A detour will be posted during the work, which is expected to last about two weeks.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
